Head Electrician, Ogunquit Playhouse, Ogunquit, ME 2024

Generate, identify, and plan power and data for all plots, schedule, teach, and lead electricians in space. Plan and lead an 18-hour load out and load in for electricians and overhires.

Adjunct Professor, Brooklyn College, Brooklyn, NY 2019-2021

Teach students how to hang, cable, and strike units in a Black Box and Proscenium Space. And during the time where classes were moved online, new goals included keeping students engaged by providing hands-on projects.

Related Experience
